CORAM : SMT.V.K.TAHILRAMANI,J.

DATED : DECEMBER, 18, 2007.
(IN CHAMBER, 2:35 P.M.)

P.C.:

1. Heard the learned Advocate for the Applicants and the learned APP for the State.

2. The applicant are seeking bail in C.R.No.70 of 2006 of Baramati Taluka Police Station. The said case is mainly under Sections 498-A, 304-B and 306 of IPC.

3. The deceased Rani was married to applicant No.2 on 14.5.2006. The applicant No.2 is the

brother of applicant No.1. Rani committed suicide within almost five and half months of her marriage by hanging herself.

4. I have perused the material in respect of both the applicants. It is stated that besides the present matter, the applicants have a clean record. It is not the prosecution case that they are likely to abscond.

5. The prosecution case is that gold ring was promised to applicant No.1 in the marriage. As the said gold ring was not given, the accused persons used to treat Rani (deceased) with cruelty. The death of Rani has occurred on 19.10.2006. The prosecution case is that as the gold ring was not given, Rani was being treated with cruelty. However, it is seen that a few days prior to the death of Rani her father informed that he is sending clothes as well as gold ring on 20.10.2006. In view of this information being given to Rani and the persons in her matrimonial house, it does not seem possible that thereafter Rani was treated with cruelty by the accused

persons on the ground that gold ring was not given. In view of the material on record it does not appear probable that few days before the death of Rani, she was treated with such cruelty as to cause her to commit suicide.

6. Looking to all these facts, I am inclined to grant bail to the applicants.

7. Applicant No.1- Amol Mahadeo More, and applicant No.2 Dadaso Mahadeo More be released on bail in the sum of Rs.20,000/-(Rs.Twenty Thousand Only) each, with one or two sureties to make up the said amount. The applicants shall report to Baramati Taluka Police Station once in a week, till conclusion of the trial.

8. Application is disposed of accordingly.
